PUBLIC NOTICE

SUNSHINE COAST COMMUNITY FOREST License #K3F OPERATIONAL PLAN VIEWING

**TUESDAY, JULY 13, 2010
4:00 PM – 8:00 PM at the
DISTRICT OF SECHELT COMMUNITY MEETING ROOM
Main Floor, Library Building
5797 Cowrie Street, Sechelt, B.C.**

The Sunshine Coast Community Forest (SCCF) invites comments on the proposed Community Forest Operational Plan for areas within the Sechelt Community Forest Licence #K3F. The proposed plan covers the following geographic areas:

Crowston Lake, Trout Lake, Wormy Lake, Angus Creek, Husdon Creek, Burnett Creek, Gray Creek, Chapman Creek, Shannon Creek, Wilson Creek

The Operational Plan describes how forest resource management has and will take place within the community forest tenure area. It describes, at an operational level, values and methods that will be utilized. The Plan has incorporated public input from past meetings, local knowledge of issues and direct input from the Community Forest Advisory Committee members and other members of the community.

SCCF invites the public to attend this information meeting to view the display of the proposed harvesting areas for the next 20 years.
